Aims and Scope

The manifestos from Dagstuhl Perspectives Workshops are published in the *Dagstuhl Manifestos* journal. Each manifesto aims for describing the state-of-the-art in a field along with its shortcomings and strengths. Based on this, position statements and perspectives for the future are illustrated. A manifesto typically has a less technical character; instead it provides guidelines and roadmaps for a sustainable organisation of future progress.

Editorial Board

- Susanne Albers
- Bernd Becker
- Karsten Berns
- Stephan Diehl
- Hannes Hartenstein
- Stephan Merz
- Bernhard Mitschang
- Bernhard Nebel
- Han La Poutré
