*Aims, Scope*

The manifestos from Dagstuhl Perspectives Workshops are published in the *Dagstuhl Manifestos* journal. Each manifesto aims for describing the state-of-the-art in a field along with its shortcomings, strengths. Based on this, position statements, perspectives for the future are illustrated. A manifesto typically has a less technical character; instead it provides guidelines, roadmaps for a sustainable organisation of future progress.

*Editorial Board*

- Elisabeth André
- Franz Baader
- Gilles Barthe
